

Aberfeldy Ettrick Scotsdale Sale

**SHORTHORN SALE
SATURDAY, OCTOBER 4, 1969
GEORGETOWN, ONTARIO**

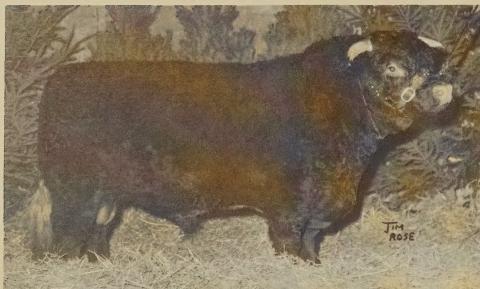

SCOTSDALE TEHRAN

Scotsdale Tehran

Breeders everywhere repeatedly refer to Scotsdale Tehran when they're illustrating that hard-to-find combination of size with quality. Tehran weighs nearly 2,225 pounds on pasture at Scotsdale. He's by the Royal Winter Fair champion Scotsdale Navarre that also was a 2,300-pounder. Tehran is out of Calrossie Princess Romana by Bapton Balmoral. He sired the \$9,000 Scotsdale Adrian in service for Rothney Farms and the \$8,000 Scotsdale Winner at Ashbourne Farms. Those seeking the extra size so popular today will find it in the Tehran sons and daughters selling.

SCOTSDALE BONANZA

One of the most popular bulls of the day is Scotsdale Bonanza, grand champion of the 1968 Royal Winter Fair and junior sire at Scotsdale. He is by the massive Scotsdale Tehran. Both his sire and dam were by champion bulls and out of good Calrossie cows. In 1967 he and his dam were winners of the cow-with-calf class at the Royal Winter Fair. Here is a big, strong bull with quality that will be service sire of several females selling.

NAEMOOR ESCORT

He is well known as reserve supreme champion at Perth in 1962. He is by the Perth supreme champion Bapton Controller. His dam is by Calrossie Defiance, a full brother to Calrossie Paramount that was also Perth supreme champion. The maternal grandsire, Calrossie High Tension, was also a reserve champion at Perth. Escort is gone now but his influence is continued through Scotsdale Bedford and his many daughters that are making grand foundation cows.

SCOTSDALE BEDFORD

Much of Scotsdale's success lies in its linebreeding program to Perth champion Calrossie Prefect and through the careful introduction of outcross blood as well. Bedford is a good illustration. He is by Naemoor Escort that was reserve supreme champion at Perth. His dam is Scotsdale Uvira Rosebud that won the cow class at the 1968 Canadian National and Royal Winter Fair. She is by Scotsdale Navarre that is a grandson of Calrossie Prefect. Bedford is being used with Scotsdale Tehran daughters.

SCOTSDALE ULTIMUS

Here's proof of the great success of linebreeding to Calrossie Prefect. Scotsdale Ultimus was by the Royal Winter Fair grand champion Scotsdale Navarre that weighed 2,300 lbs. and also sired Scotsdale Tehran. Navarre was a grandson of Calrossie Prefect. Ultimus is out of Scotsdale Flossy Laura by the International supreme champion Scotsdale Jupiter that was also by Calrossie Prefect. Ultimus himself was reserve grand champion of the Canadian National Exhibition.

ETTRICK'S NEW HERD SIRE

SCOTSDALE TORQUIL

SCOTSDALE TORQUIL

A son of Scotsdale Navarre and sire of the first-prize two-year-old bull at the 1968 Royal Winter Fair, Alta Cedar Torquill 3rd, that went on to be All-American and is now in the herd of Tempel Farms, Wadsworth, Ill. Ettrick owns Scotsdale Torquill jointly with Bill Boake, Acme, Alta. He is a red bull with the size, bone, structure and breed character required in modern Shorthorns.

SCOTSDALE VICEROY

Scotsdale Viceroy is perhaps best known as the sire of the \$10,100 Scotsdale Arrogant that topped the 1967 sale. Viceroy himself was reserve grand champion of the 1966 Royal Winter Fair. He's by the 1962 Perth reserve supreme champion Naemoor Escort. Viceroy is out of the same great cow as the 2,300-pound Scotsdale Tehran. His progeny, like Viceroy himself, have great bone and excellent fleshing ability along with the size and substance for which Scotsdale is famous.

ETTRICK WHITE ENSIGN

By the Five-Star Scotsdale Marshal, AAA. Ensign is classified AA, the highest possible for a bull under two years. His dam is Bapton Margaret Eliza by Bapton Roan Robin. This Eliza family was one of the greatest at Bapton. Ettrick White Ensign is now owned by Irving Hanson, Walnut Grove, Minn.

Aberfeldy Heir

Aberfeldy Heir was 1967 International supreme champion. He is by Aberfeldy Captivator, AAA, that himself was International senior champion and, more important, has sired more leading stock bulls than any sire ever in service at Aberfeldy. Heir is out of a Drynie Clipper by Calrossie Forward March that has sired the DAMS of most of Aberfeldy's recent show winners. Heir is backed with a double cross of the highly regarded Drynie Conquest for an added touch of prepotency. See him at Aberfeldy the day before the sale since a number of his half brothers and sisters sell and his service is featured.

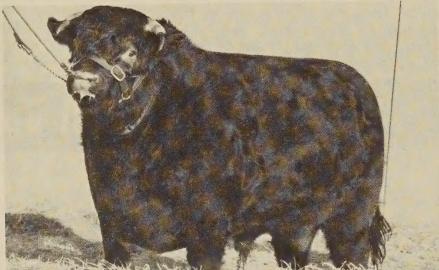

ABERFELDY ROYAL ROBIN, AAA

The grand old sire of Aberfeldy is gone now, but his influence is perpetuated through his many daughters in the herd and by his many sons in use both at Aberfeldy and at other leading herds in both the United States and Canada. Among others he sired two International supreme champion bulls and a reserve grand champion bull in three years. He also sired four consecutive winning gets-of-sire at the Royal Winter Fair, four consecutive Royal champion bulls, four All-American senior gets, 24 All-Americans and an International reserve champion female. What other bull can match that record? The offering is rich in the influence of this great sire.

ABERFELDY HEIR

ABERFELDY CAPTIVATOR, AAA

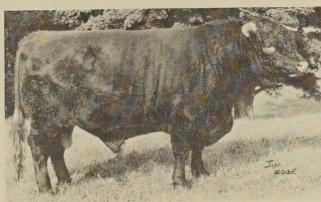

One of the most popular sires in recent years is Aberfeldy Captivator. He was International senior champion bull and later classified AAA. More important, he is the sire of the 1967 International supreme champion Aberfeldy Heir and of the 1968 International reserve grand champion Aberfeldy Jason. A daughter was 1968 International reserve senior champion female and another was International reserve grand champion. He has also sired many All-Americans and sale tops throughout the country. In his prime, Captivator weighed 2,100 pounds on pasture and he's passing that size and muscling on to his sons and daughters.

SCOTSDALE MARSHAL

SCOTSDALE MARSHAL, AAA

This outstanding sire at Ettrick is still active at 12 years of age. He classified AAA and is Canada's first Five-Star bull. This rating is given for a combination of weight-for-age, type and progeny. He is by the Perth champion Calrossie Prefect. His dam was the top priced open heifer in the Kirkton Dispersion. Marshal was supreme champion of the 1958 Royal Winter Fair.

ETTRICK JUBILEE

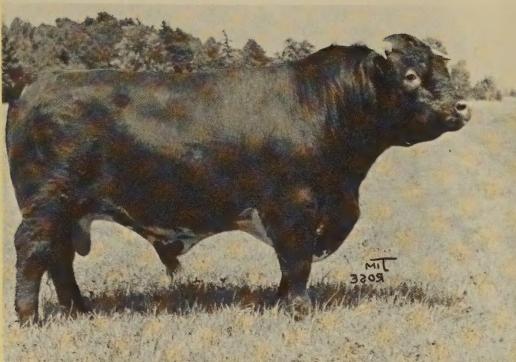

ETTRICK JUBILEE

A son of Scotsdale Marshal out of a Louada Blockbuster dam, Jubilee has on official performance test weight of 1,009 pounds at 12 months of age with an average daily gain of 2.83 pounds. This dark red bull is Ettrick's junior herd sire. He weighed 1,700 pounds at 22 months of age.

ABERFELDY EXCHEQUER

He's the International reserve grand champion son of the AAA Aberfeldy Royal Robin. Exchequer was also the All-American senior yearling, grand champion of the Royal Winter Fair and the Canadian National Exhibition. His dam is a Calrossie Beauty by the well-known Calrossie Hyperbole. Exchequer was retained for service at Aberfeldy and his daughters are making excellent brood cows. Be sure to see his daughters selling in this sale.

ABERFELDY JUBILANT — Here is one of the best bulls ever bred at Aberfeldy! A 2/3rds interest and possession sells since his future use in the herd is limited. His sire, Aberfeldy Captivator, AAA, and his brother, Aberfeldy Heir, are our senior stock bulls. Jubilant has everything to recommend him, including great size, frame, and the

Aberfeldy Tess, the dam, was twice class winner at Chicago and reserve All-American. On July 1 he weighed 1,810 pounds.

ABERFELDY JINGO—Here's a bull with that new look being advocated as the modern trend. He has that extra length of leg and body so much in demand, along with trimness and balance from end to end. His full brother, Aberfeldy Red Gauntlet, purchased by Joe Bennett, Coolidge, Tex., and Lewis Haupt, Bryan, Tex., has been doing a tremendous job. Recently a son completed the 140-day performance test at Corsicana with a 4.07 pound daily gain, topping all English breeds and setting a record gain for Short-

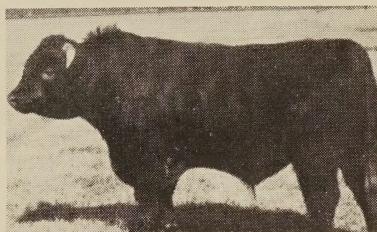

horns. A full-sister, Aberfeldy Roan Lady 15th, topped our 1967 sale at \$2,000 to Melbourne Farm, Big Rock, Ill. Another full-sister sells this year! Not only is this bull as modern as they come, but he has that kind of background as well. Bapton Roan Robin, Bapton Constructor, Calrossie Forward March, Calrossie Welcome and Millhills Yesteryear were all great sires with plenty of size. On July 1 he weighed 1,640 pounds.

Aberfeldy Jingo's Full Brother Sired a Record Gaining Bull!

ETTRICK NORANDA — This most promising son of Scotsdale Marshal is a combination of richness in breeding, weight for age and the type and character that Shorthorn breeders are seeking. At 11 months he weighed 956 pounds in moderate fit and there is every indication that he will continue to grow and develop. With three crosses of Calrossie Welcome and the same of Kirkton Baronet he is surely line-bred to perfection. We think so highly of this bull that we reserve semen rights.

ETTRICK NORANDA, Lot 15.

Each Year the Leaders Buy at Georgetown

Year after year the leading herds of North America come to Aberfeldy, Ettrick, Scottdale for stock bulls of real stature. These bulls are prized for their extra size, high performance records, and a locked-in heritage of some of history's greatest bloodlines. They have a heritage of outstanding achievement not only as champion show bulls but also as sires of the big, well-muscled kind for their new owners. This year you can select from the strongest offering of them all.

And don't forget that the sisters to these great young bulls make powerful brood cows. That's why you'll find females from this sale in the best herds of the continent, from the Southeast to the Rockies.

Several International champions have sold in previous Aberfeldy-Ettrick-Scottdale sales. This is the International supreme champion Aberfeldy Deacon by Aberfeldy Royal Robin sold to Burke N. Allison & Co., Washington, Ind., for whom he later sired the champion bull and winning get-of-sire at the 1968 Indiana State Fair and the top bull of the 1969 National Western sale.

Scottdale Arrogant topped the 1967 sale at \$10,100 to Bill Anderson, West Liberty, Iowa; the Barnun Co., Aledo, Ill., and Marty and Paula Ryan, Aledo.

He is by Scottdale Viceroy.

The 1968 International reserve grand champion bull was the fourth in five years for Aberfeldy. He is Aberfeldy Jason by Aberfeldy Captivator that topped the Aberfeldy bulls in 1968 to R. Lee Johnson, Fredericktown, Ohio.

Scottdale Adrian brought the \$9,000 top money of the 1968 sale when he sold to A. R. Cross' Rothney Farms, Calgary, Alberta. He is by Scottdale Tehran and a full brother sells this year.

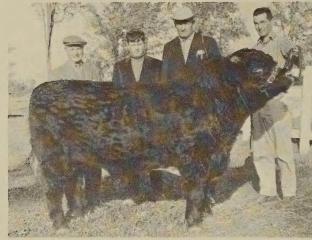

Aberfeldy Howard by Aberfeldy Exchequer sold in the 1966 sale to Bernard Friedlander, Tyler, Tex. He later won his class at the International Livestock Exposition and was an All-American.

Aberfeldy Habitant by Aberfeldy Captivator, AAA, sold in the 1966 sale to Roger Steiger and Walter Shea and Sons of Illinois. He was grand champion of both the C.N.E. and Royal Winter Fair.

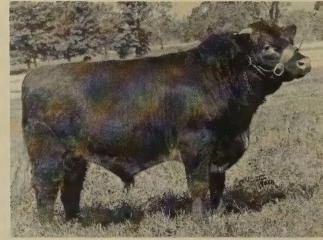

Scottdale Winner by Scottdale Tehran sold in the 1967 sale at \$8,000 to Ashbourne Farms, LaGrange, Ky. He was hailed as one of the biggest bulls of his year.

Champion of the 1968 Canadian National Exhibition was Scottdale Barbarian that sold in last year's sale at \$4,550 to John Esau, Kenman, Man. He is by Scottdale Tehran.

Ettrick Lily Pauline sold in the 1967 sale at \$1,900 to Dr. Jerry Like, Wheatland, Ind. She is by the Five-Star Scottdale Marshal and the calf is by Ettrick Sir Winston.

Aberfeldy Hostage by the AAA Aberfeldy Royal Robin sold in the 1966 sale at \$4,500 to Roger Applegate, Oakland, Iowa, where he is siring many of his current show winners.

ABERFELDY-ETTRICK-SCOTSDALE SALE

Saturday, October 4 - Georgetown, Ontario

These are three of the first heifer calves by the International supreme champion Aberfeldy Heir. Aberfeldy sells several half brothers and sisters to this champion and his service is a sale feature.

Two of the big bulls selling from Scotsdale are, from left, Scotsdale Bullion, reserve grand champion of the 1968 Canadian National Exhibition, and Scotsdale Brigadier, both by Scotsdale Tehran.

In a day when cattlemen are thinking big, they're automatically thinking of Aberfeldy, Ettrick and Scotsdale where stock bulls of great size and quality have been a tradition for generations.

Consider Aberfeldy's record of four International grand or reserve grand champion bulls in six years. They don't win, and they're not purchased by leading breeders, if they don't measure up to modern demands.

Consider the great tradition of Scotsdale for big bulls. That has been the goal at Scotsdale from the outset and they stuck with it, even in years when massive cattle were not universally sought.

Today's buyer demands size and quality, but he also demands facts to back it up. You'll find weights on every bull selling and they're convincing. Then study their sires and dams for extra assurance of quality and prepotence.

And, for those thinking big, there are the grand young females from each herd. It stands to reason

WELCOME

You are always welcome at each of our herds and we especially look forward to welcoming you on sale weekend. Come early so that you can visit all three herds. We are proud of the young bulls and females on offer this year and we feel they'll be a credit to the herd. Plan definitely on being there for dinner on Friday night before the sale at the Holiday Inn, Oakville, Ont., at the intersection of Queen Elizabeth Way and Trafalgar Road, just south of Highway 401. And remember, this year's sale is on Saturday for the first time, which we hope will be even more convenient for those traveling long distances.

Cordially,

that the sisters to the big bulls selling should themselves produce calves for you with that same locked-in inheritance.

You can benefit from the bulls and females selling on October 4 as so many others have in previous years. Come early. Visit all three herds. Study the sale cattle. You'll find a broad selection and you'll have a grand time in some of the most beautiful country and with some of the finest people in the world.
